## **ACH 130**

### Strikingly seductive

The ACH130's alluring presence is unmistakable, right from your first encounter. Striking and assertive, its charisma draws you in. As enjoyable to ride in as it is to pilot, and with an interior that complements its impressive performance, this helicopter strikes the perfect balance between power and elegance.

The single  
engine  
reference in  
performance  
and style

### Sensuous styling

As a design statement,  
the ACH130 embodies simplicity.  
Fluid lines give it a dynamic  
and contemporary profile: a powerful  
look accentuated by light and glass  
and the latest evolution  
of the Fenestron®.

Enjoy a spectacular view.  
The ACH130 comes  
with a comfortable  
raised platform at the rear,  
for an unforgettable  
journey.

Keep your trips  
low-profile.

With its shrouded tail rotor  
and auto-variable speed,  
you'll make subdued approaches  
and landings—so the attention  
you get is the head-turning kind.

Enthralling inside and out,  
granting you both freedom  
and control, the ACH130  
is the perfect companion  
to the most exciting of lifestyles.

Invite guests for the weekend. With its Fenestron® tail rotor, safety on the tarmac is the first step to an unforgettable getaway.

A world of possibilities

Take your guests on vacation in style. With up to 6 forward-facing seats and luxurious cabin accents, you're giving them a rare joy—and it's pretty nice up front, too.

Ceiling-to-floor cockpit windows bathe the cabin in light and spectacular sights, wherever you're seated.

Stylence® by ACH offers a fresh and elegant atmosphere. In addition to the leather's punched and smooth treatment, finishing touches receive special attention.

An attractively designed cabin feels right. The ultimate expression of this is Stylence® by ACH.

Elegant in flight or at rest,  
the ACH130's refined aesthetic  
shows the skill of Airbus' Design  
Team.

The sports cars inspired interior  
has the air of confidence  
and quality you expect of an ACH.

And its understated  
composure  
is ever-present,  
whether you decide  
to take the controls  
or take the back seat.

# Tailored for you

By appointment only.  
Customise your cabin  
with materials that transport you.  
Invent a paint scheme.  
This one's yours to play with.

Anything can be enhanced.  
Even things that are already top class.

This is your chance  
to make your vision a reality.  
To influence every detail and ensure  
your helicopter serves as an effortless  
extension of your life.

Join an exclusive club.  
Advanced technology, tailored support,  
and performance to spare — all wrapped up  
in one competitive light package.

Flying by helicopter means you have a clear objective.

All the more reason to have an interior that lets you concentrate  
on the essentials by giving you quick access to all  
the information you need while you're at the controls.

## Effortless yet exhilarating

Beneath the ACH130's sleek exterior sits a powerful engine.  
One engineered to deliver a surge of thrilling power to awaken your senses.

Welcome to the family.  
Proven engineering, performance  
and security—your ACH130  
comes from a pedigreed clan,  
with 10% more power and lower  
fuel consumption.

Up to seven  
passengers

Maximum endurance:

**4 h 00 min**

Maximum cruise speed:

**130 kts**

Important  
to you,  
essential  
to us

Every ACH helicopter is unique.  
They are as unique as each  
of our international customers, distinct,  
discriminating with superlative standards.

Owning an ACH helicopter is a great responsibility – and we feel  
the same responsibility towards our customers. After all, striving  
for helicopter perfection includes striving for service perfection too.
