ACH145

ACH145 is the result of constant reinvention. The desire to push for more. To go beyond the expected. This is your chance to experience the ultimate ride in a helicopter born to the role. This is ACH145. This is Power. Style. Emotion.
Every inch is an experience waiting to be discovered, then unleashed.

One look and ACH145’s dramatic presence is apparent. Its bold, imposing transparencies and fluid lines highlighted by its signature Fenestron instantly command your attention. Every exacting detail reinforces the ACH145’s reputation for robustness, power and style.
Rooftop, yacht, or secluded landing pad: touch down where your desires lead you.

The ACH145’s compact footprint allows for all types of landings. Safe and discreet.
Its striking silhouette transformed at a touch, its inviting interior opened – to friends, to the unexpected, to endless possibilities.

ACH145 lives in the moment. The moment is now.
Snatch time from the day.
Soar free of the traffic jammed up below. You’ve spent the ride
in reflection – rejuvenated and ready for round two.
ACH145 offers the perfect balance of considered sophistication and true freedom.

Designed to be shared, the interior is intensely welcoming: a sanctuary in motion.

Four to eight individual seats offer matchless comfort and an elegant, energetic esthetic. Discover an exceptional space, tailored for the ultimate passenger experience.

A world of possibilities
Every inch is used to advantage. With over eight possible layouts, this is the industry’s most flexible cabin and the one most likely to offer an interior solution that meets your most exacting requirements.

Live aboard in Style. Yet the aircraft is also designed to be as comfortable and functional as your favorite spaces on the ground.
Intentional elegance.

Every aspect of the cabin is carefully designed for an unrivaled helicopter experience.
The ACH145 epitomises distinctiveness with a well-appointed cabin, an array of captivating details.
Designed to be effortless.

Our cabin integrates advanced In-Flight technology with carefully crafted interiors. The result is an intuitive cabin experience for business or pleasure.

Be assured you can stow all the luggage you need in the ACH145’s ample hold.
Every seam, every square inch of leather, and every fine detail receives the same level of attention. It's how we bring dreams to life. And how we create something unique. Our team will work with you to help build a helicopter true to your vision.
The ACH145 perfectly blends all aspects of performance. Class-leading combination of range, comfort and reliability. Designed with safety in mind, the latest Helionix flight deck features advanced intuitive software, synthetic vision system and four-axis automatic pilot with complete envelope protection for the ultimate in precision and control.
Beyond the esthetic.

ACH145 advanced technology ensures a more intelligent and ergonomic Human-Machine Interface. This isn’t just a helicopter of unprecedented craftsmanship and design; ACH145 is the response for those who restlessly seek more.
Up to nine passengers
