ACH175

Unmistakable presence

ACH175 encapsulates contemporary luxury. Its signature design is complemented by modern features.

Enjoy the extended possibilities, enabled by a helicopter built to perform.

Ultimate
expression
of dynamism

Understated style and composure matched
with a surge of power.

All with a whisper-quiet ride that enables you to do business or entertain
in your own time and space.

Be where you're needed, near or far.
With phenomenal range and a fast cruise,
getting there is a real pleasure.

Explore the high seas and hidden escapes with no limits.

The horizon is your canvas.

A sanctuary of calm combined
with a high level of “beauty”.

Unique Atmosphere

ACH175 is more of everything: more refinement, more legroom – and more opportunities for Bespoke personalization. With its lounge-like proportions, it's an indulgent private space that's perfect for working, entertaining or relaxing between engagements.

Special attention on comfort, right down to upholstery, cushion you and your guests in luxury.

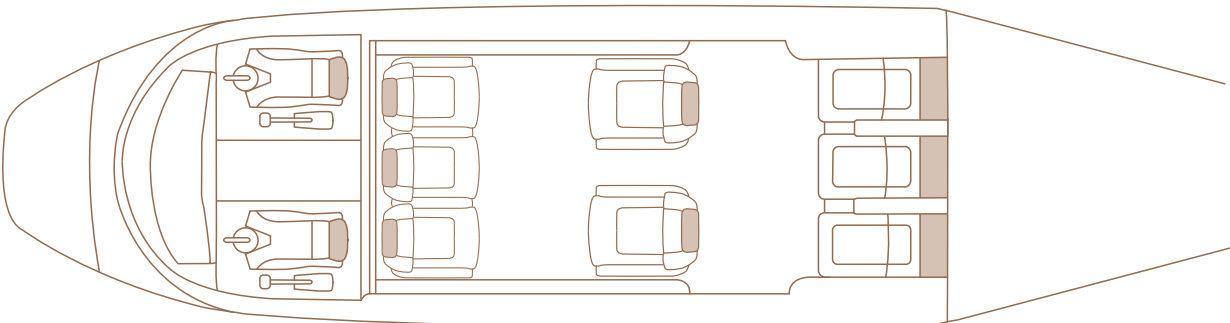

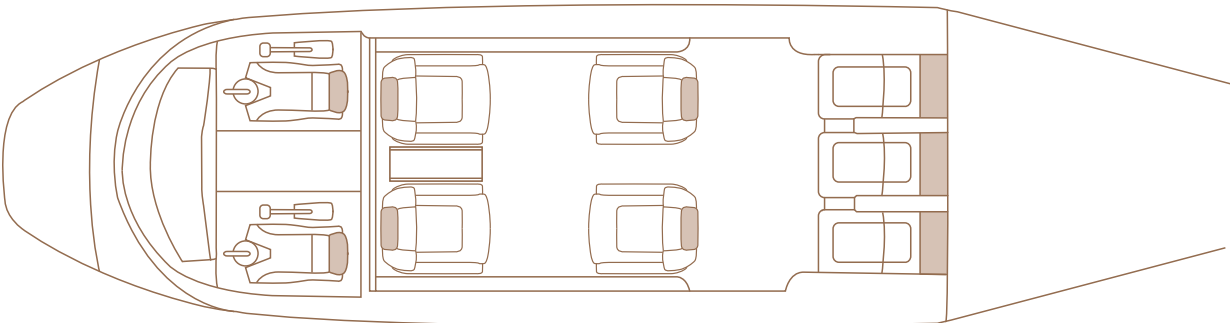

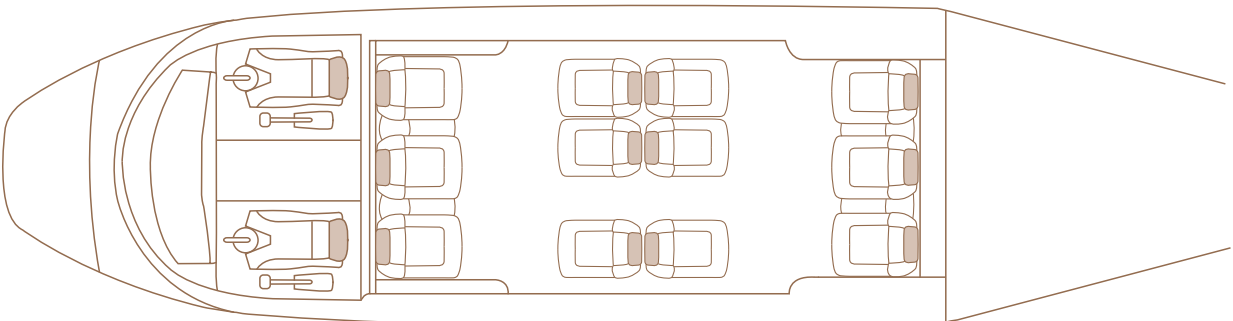

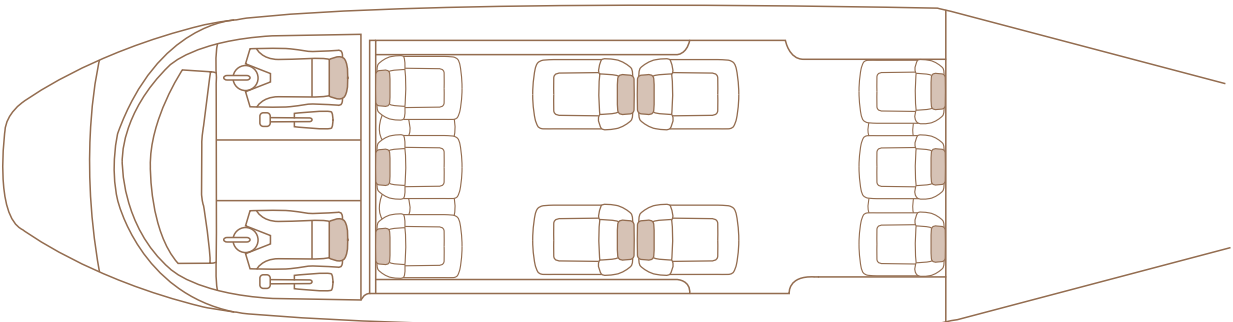

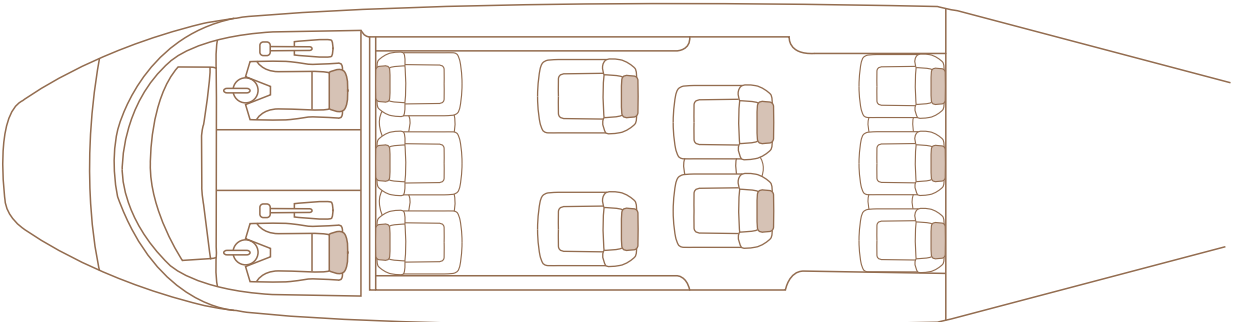

A living room in the sky.

Sit back, relax and enjoy the most serene cabin.

Aesthetics meet ergonomics with large windows, touch screens and meticulously selected finishes.

Live up to your own expectations.

An experience that touches all the senses.

The feel and scent of wide expanses, soft leather upholstery and the beauty of the book matched veneer. With deep wool and silk carpets underfoot, it is the ultimate in comfort.

Give the helicopter an
exclusive finish.
Exceptional character
and distinctive personality.

Create
your own
vision

Wide spaces make
personalization a pleasure.

Influence every detail and ensure the helicopter
is an effortless extension to your life.

Powerful tools at your command

Designed with safety in mind, the latest Helionix flight deck features advanced intuitive software, a synthetic vision system and 4-axis automatic pilot with complete envelope protection.

The latest in technology and design are seamlessly integrated to bring you the most advanced flying experience.

Up to twelve
passengers

Maximum endurance:
